

Forward Looking statements

Certain statements in this press release are forward-looking and subject to a variety of risks and uncertainties. These may be identified by the use of forward-looking words or phrases such as "believe," "expect," "estimates," "intend," "anticipate," "should," "potential," "projects," "goals," "targets" and other words of similar meaning. These forward-looking statements are based on KeyMRO's current expectations. The Private Securities Litigation Reform Act of 1995 provides a "safe harbor" for such forward-looking statements. In order to comply with the terms of the safe harbor, KeyMRO notes that a variety of factors could cause actual results and experience to differ materially from the anticipated results or other expectations expressed in such forward-looking statements. The risks and uncertainties that may affect the operations, performance, development, and results of KeyMRO businesses include but are not limited to (1) rapidly changing technology and dependence on new products; (2) integrating acquired technologies may be costly and may not result in technological advances; (3) claims for patent infringement; (4) investment performance of pension plan assets, interest rates and cost increases for medical benefits offered to employees and retirees; (5) effects of foreign economies, currency movements and fluctuations in levels of customer inventories; (6) effects of the fluctuations in Customers activities that directly or indirectly affect KeyMRO's growth and results; (7) US and non-US governmental and public policy changes that may affect the level of new investments and purchases made by Customers of KeyMRO; changes in environmental and other US and non US governmental regulations; protection and validity of patent and other intellectual property rights; reliance on large customers and significant suppliers; ability to supply customer financing; implementation and cost/financial risk in the use of large, multiyear contracts and (8) other factors that might be described from time to time in KeyMRO's filings with the Securities and Exchange Commission. In addition, such statements could be affected by general industry and market conditions and growth rates, and general domestic and international economic conditions.

Although KeyMRO believes that the expectations reflected in its forward looking statements are reasonable, it can give no assurance that such expectations or any of its forward looking statements will prove to be correct. Any forward-looking statement made or incorporated by reference herein speaks only as of the date of this press release. KeyMRO expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any such statements to reflect any change in its expectations with regard thereto or any changes in the events, conditions or circumstances on which any such statement is based.
